'Comper' Apple Room in Hertford Street is rather special; its building is listed, its provision highly regarded and, most of all, its young children and families are at the heart of all it strives to achieve.

Comper embraces: Child Care here and on the site of East Oxford Primary School, one of the County's six Maintained Nursery Schools, and two Reception Classes.

Our year-round, additional provision is managed and overseen by the Head of Comper and its Governing body working closely with Oxfordshire County Council.

Everything we do begins and ends with the children. We are here to help them to learn and grow in confidence, to reach out, explore and enjoy.
