Newsletter

Friday 1st July 2022

Dear Parents and Carers,

At Comper we are in full swing with all things transitions related at the moment. This is a very busy time of year for us at Comper as we have so many new children and families coming to the school in September and all the Reception and half the Nursery children to successfully transition down to SS Mary and John (SSMJ) or their new schools. So far our transition programme is going very smoothly. All the children are showing great flexibility and resilience with the changes in front of them. The Reception children had a lovely time down at SSMJ on Wednesday joining in an assembly and meeting some of the staff. The Comper Nursery children that are starting Reception in September have been spending time visiting the reception classrooms and getting used to what will be their new environment.

It was lovely to see so many parents at our new reception parent induction meetings this week. Thank you for taking the time to come. Do go to our website if you would like to look back at the slides or for any other key information that we might have mentioned.

Parent Questionnaire—We want to hear your opinion

A big thank you to all those that have already filled out the parent questionnaire. We really value your feedback and are always ready to listen and respond. If you haven't already filled out the questionnaire, please do follow the link below. We have extended the deadline and it only takes a small amount of time.

Parent Governor Vacancies

We are delighted to have received several applications for the parent governor positions that are available. We look forward to giving you more information in the coming weeks.

Events

We have some lovely events coming up in the next couple of weeks, the Comper Disco and Comper International Evening. We really need parent support to help organise these and make them as successful as possible. Please do get in touch with Michaela on the PTA email (pta.comper@gmail.com) or through the What's App groups to offer your help. You can sign up to help on the google forms below. Just click on the links.

Communication

We are having some feedback that a few families are not getting the whole school email communications from the office. Please can you check your junk/trash boxes, but also check that we have the most up to date email addresses from you for all the adults that would like to be in the loop with school communications. If you think you may not be receiving all communications or you know a parent/carer that is not, please can you email the office with your correct email address or encourage others to do so and we will ensure our email list is up to date.

We are saying goodbye to Katy Warne at the end of next week. Her last day is Thursday 7th July. We will be very sorry to see her go, but will be sending her off with a Comper leaving tea party.

Good Luck Katy!

Covid & Sickness Bug

There does seem to be another wave of Covid at the moment and we also seem to be in the midst of a tummy bug. Both these illnesses are effecting children and staff. Please be aware of this and ensure that you are not bringing your child into school if they are showing any signs of temperature, cough, tummy ache or being generally unwell as the bugs just spread and this is particularly difficult when it starts to effect our staff as it becomes hard to run the school effectively if too many staff become ill. Thank you in advance for your cooperation with this.

Some key dates coming up

Tuesday 5th July - Reception Class Photos

Friday 8th July 4.00pm - 6.30pm - SS Mary and John Summer Fair –All Welcome!
